ASSIGNMENT

WHEREAS we, Scott Martin Sheehan of Carmel, Hamilton County, Indiana; and Brian Morgan Watson, Carmel, Hamilton County, Indiana, have made an invention which is the subject of a PROVISIONAL PATENT APPLICATION, titled, Chemical Compounds, filed December 30, 2002, as application Serial No. 60/436,625 (hereinafter the "Application"); and

WHEREAS ELI LILLY AND COMPANY, an Indiana corporation having its principal place of business at Lilly Corporate Center, Indianapolis, Indiana 46205, wishes to acquire our entire right, title, and interest in the Application and in all inventions disclosed in the Application;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we hereby sell, assign, transfer and set over unto Eli Lilly and Company, its successors and assigns (collectively, "Lilly") our entire right, title, and interest in, the Application and in all inventions disclosed therein; all rights of priority thereto pursuant to the International Convention for the Protection of Industrial Property; any and all present or future patent applications to such inventions that may be filed in the United States or any foreign country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, reexaminations, reissues, international applications under the Patent Cooperation Treaty ("PCT"), United States provisional patent applications, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Application, inclusive of, but not limited to, supplementary protection certificates, copyrights, trademarks, and data package exclusivity rights; and any and all Letters Patent of the United States and of all foreign countries and all related patent term extensions which may be granted for Letters Patent with respect to the Application; all of the above to be held and enjoyed by Lilly for its own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by us had this Assignment and sale to Lilly not been made.

For ourselves and for our heirs, successors and legal representatives, we covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

For ourselves and for our heirs, successors and legal representatives, we further covenant and agree with Lilly that upon request we and they will, without further consideration than that now paid, but at the expense of Lilly: (i) execute original, provisional, substitute, continuation, divisional, continuation-in-part, reexamined, or reissued applications, amended specifications, or rightful declarations or oaths for such application; (ii) communicate to Lilly any facts known to us or them relating to such inventions or the history thereof; (iii) execute preliminary statements and testify in any interference proceedings, litigation discovery proceedings and depositions, oppositions, cancellation proceedings, priority contests, public use proceedings, administrative agency proceedings, litigation and other court actions and the like; (iv) execute and deliver any application papers, affidavits, declarations, assignments, or other instruments; and (v) do all other acts which, in the opinion of counsel for Lilly, may be necessary or desirable to secure the grant of Letters Patent and related intellectual property to Lilly or its nominees, in the United States and in all other countries where Lilly may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for Lilly and to vest and confirm in Lilly or its nominees the full and

ASSIGNMENT

WHEREAS I, LIEBESCHUETZ, John Walter have made an invention which is the subject of U.S. provisional application number 60/436,625 filed December 30, 2002; and

WHEREAS TULARIK LIMITED, a British company having its principal place of business at 90 Fetter Lane, London EC4A 1JP, United Kingdom, wishes to acquire the entire interest in all my inventions disclosed in such Application;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign, transfer and set over unto Tularik Limited, its successors and assigns (collectively "Tularik") my entire right, title and interest in, to and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in the United States or any foreign country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, re-examinations, reissues, international applications under the Patent Cooperation Treaty ("PCT"), United States provisional patent applications, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Application, inclusive of, but not limited to, supplementary protection certificates, copyrights, trademarks, and data package exclusivity rights; and any and all Letters Patent of the United States and of all foreign countries and all related patent term extensions which may be granted for Letters Patent with respect to the Application; all of the above to be held and enjoyed by Tularik for its own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by me had this Assignment and sale to Tularik not been made.

For myself and for my heirs, successors and legal representatives, I covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

For myself and for my heirs, successors and legal representatives, I further covenant and agree with Tularik that upon request I and they will, without further consideration than that now paid, but at the expense of Tularik, its successors or assigns: (i) execute original, provisional, substitute, continuation, divisional, continuation-in-part, re-examined, or reissued applications, amended specifications, or rightful declarations or oaths for such application; (ii) communicate to Tularik any facts known to me or them relating to such inventions or the history thereof; (iii) execute preliminary statements and testify in any interference proceedings, litigation discovery proceedings and depositions, oppositions, cancellation proceedings, priority contests, public use proceedings, administrative agency proceedings, litigation and other court actions and the like; (iv) execute and deliver any application papers, affidavits, declarations, assignments, or other instruments; and (v) do all other acts which, in the opinion of counsel for Tularik, may be necessary or desirable to secure the grant of Letters Patent and related intellectual property to Tularik or its nominees, in the United States and in all other countries where Tularik may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for Tularik and to vest and confirm in Tularik or its nominees the full and complete legal and equitable title to all such Letters Patent and related intellectual property.

ASSIGNMENT

WHEREAS LIEBESCHUETZ, John Walter has made an invention which is the subject of U.S. provisional application number 60/436,625 filed December 30, 2002; and

WHEREAS by virtue of the employment of inventor LIEBESCHUETZ, John Walter by TULARIK LIMITED and an assignment dated 20th January, 2003, TULARIK LIMITED has acquired the entire interest in the invention made by said inventor which is the subject of said Application;

WHEREAS by virtue of an agreement ("Agreement") dated December 15, 1999 between PROTHERICS MOLECULAR DESIGN LIMITED and ELI LILLY AND COMPANY, PROTHERICS MOLECULAR DESIGN LIMITED has agreed to assign its entire interest in all the inventions disclosed in such Application to ELI LILLY AND COMPANY; and

WHEREAS PROTHERICS MOLECULAR DESIGN LIMITED has assigned its rights and obligations under the Agreement to TULARIK LIMITED;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Tularik Limited "Tularik" hereby sells, assigns, transfers and sets over unto Eli Lilly and Company, its successors and assigns (collectively "Lilly") its entire right, title and interest in, to and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in the United States or any foreign country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, re-examinations, reissues, international applications under the Patent Cooperation Treaty ("PCT"), United States provisional patent applications, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Application, inclusive of, but not limited to, supplementary protection certificates, copyrights, trademarks, and data package exclusivity rights; and any and all Letters Patent of the United States and of all foreign countries and all related patent term extensions which may be granted for Letters Patent with respect to the Application; all of the above to be held and enjoyed by Lilly for its own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by Tularik had this Assignment and sale to Lilly not been made.

For Tularik and its successors, Tularik covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.
